Mareworthy's Pasture Pals!

Pasture Pals are horse lovers who provide monthly support to help care for Thoroughbred mares in Mareworthy's rescue program. On average, each horse costs nearly \$800 per month to care for. Your monthly donation directly helps these horses who often need medical care, training, and rehabilitation.

As a thank you, you will receive a monthly letter from a horse in the program, as well as a custom, limited edition sticker. A perfect gift for horse crazy kids!

Mareworthy, a 501c(3) nonprofit, exists to ensure all Thoroughbred mares whose racing and breeding careers have ended are provided with care that protects them from suffering and cruelty.
